RE: Plycem Subflooring Panel: Naming Update

To Whom It May Concern:

Please be advised that The Plycem Company, Inc. ("Plycem") manufacturer of the Plycem SubFlooring Panel is implementing an update on the Product Trade Name currently supplied to the US Market.

Currently there are several Trade Names on the market for the Plycem Subflooring Panel as:

- CEMDECK
- PLYSTONE
- FIBROLIT

Effective immediately, the product Trade Name used by Plycem will be solely "PLYCEM SX20/20 STRUCTURAL SUBFLOORING PANEL". Can be shortened as "PLYCEM SX20/20", or "PLYCEM".

This declaration confirms that the PLYCEM SX20/20 is the same in all materials respect, including performance, as that of the existing names listed above. Plycem hereby confirm that the products listed above under an existing Trade Name differ only in name from the PLYCEM SX20/20. No technical changes have been made nor will be undertaken because of this change.

There will be an interim period of transition for updating Marketing, Certification materials and Technical Sheets. This period is scheduled to be concluded Jan 1, 2019.
